Terms & Conditions version 3.0 (Revised 27th May 2020)

At Canine Capers we endeavour to provide the best possible care for your dog(s) but wish clients to understand that though the nature of 'home boarding' means that your dog's level of stress and anxiety will be minimised whilst you are away (they will of course miss you but most actually thoroughly enjoy their time here!!!!) dogs will be dogs and so problems and issues which are eliminated by the isolation of a traditional 'Kennels' environment can arise so please take some time to read the terms and conditions below.

Please do not hesitate to call us at any time to discuss anything here or if you have any questions
